**Writing Notes section** - This section should include all of your notes on the different kinds of expository and descriptive writing we've done.

**Writing section** - Each assignment should start with a clean, corrected copy on top, followed by your graded copy with my comments, your rough draft with peer editing comments, any prewriting you did, and any other drafts you worked on.

- Retelling a story
- Character journals
- Original short story
- Memoir
- Ad poster (if it will fit in your notebook)
- Ad analysis essay

You are turning in your project to me separately instead of in your portfolio

**Writing Logs section** - You should have 10 total writing logs for the spring semester
